

Thanks to everyone who completed the MASH system performance survey in March and April. The prize draw winner was Nicola Fortune who is pictured here collecting her wine from MASH's Jo Kaptein and wine expert extraordinaire, Steve Cross of Castlemaine Central Wine Store on Lyttleton Street.

Nicola had this to say about MASH: "It has been a great feeling to participate in MASH as it is such a positive community initiative. It's good to know that we're part of a powerful grassroots shift towards renewable energy and away from fossil fuels. I work from home, so one of the things I'm particularly enjoying about having solar panels now is using my heater throughout the day and not feeling guilty about it".
